## Director of Procurement

### Description

Our client is seeking an experienced Director of Procurement to lead procurement efforts in a fast-paced gaming and food & beverage environment. This role requires a strategic thinker with strong leadership and vendor management skills to drive cost-effective procurement strategies while ensuring the availability of goods and services.

### Responsabilités

- Develop and implement a comprehensive procurement strategy aligned with the organization's goals and objectives.
- Identify purchasing needs across the gaming facility and all food & beverage outlets, ensuring timely availability of goods and services while adhering to budgetary constraints.
- Analyze market trends, assess vendor capabilities, and maintain a strong supplier network to meet procurement requirements effectively.
- Source and evaluate vendors based on quality, reliability, price, and delivery terms, ensuring adherence to established procurement policies and procedures.
- Negotiate favorable terms and conditions, including pricing, discounts, delivery schedules, and service level agreements, to maximize cost savings and value.
- Monitor vendor performance, resolve disputes, and establish long-term relationships to secure reliable supply chains.
- Develop and implement inventory management strategies to optimize stock levels, minimize waste, and prevent stockouts.
- Collaborate with department heads to forecast demand, plan inventory replenishment, and monitor turnover to ensure adequate supply without excess or obsolescence.
- Implement inventory tracking systems and conduct regular audits to ensure accuracy, identify discrepancies, and mitigate risks.
- Ensure compliance with regulatory requirements across all
